HOW TO RUN THIS PAGE

Read the directions aloud and watch students form their letters. This sheet checks capitalization and spacing in first and last names, plus periods after initials.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · TRACE NAMES

SAY "Trace the gray print in both boxes. Take your time with the letters and periods."

- Box 1: **Mia Chen**
- Box 2: **M. C.**

PART 2 · YOUR NAME

SAY "Write your first and last name in the first box. In the next box, write the first letter of each name, with a period after each letter."

- Box 1: **Student's first and last name, with a capital letter at the start of each name and a space between them.**
- Box 2: **Student's two capital initials, each followed by a period, with a space between them.**

WHAT TO ACCEPT

Check letter formation as students write. Full names do not need a final period; each initial does.
