HOW TO RUN THIS PAGE

Read the clue rows aloud. Before Part 2, have students fold Part 1 under the sheet and hide any other alphabet models. Allow thinking time, observe recall, and record any help given separately.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · FIND IT

SAY "Listen to each alphabet clue. Circle the letter that belongs in the empty spot."

ROW	SAY	STUDENTS CIRCLE
a	When you say G, blank, I in alphabet order, which letter fills the blank?	**H**
b	When you say P, blank, R in alphabet order, which letter fills the blank?	**Q**

PART 2 · WRITE IT

SAY "Fold Part 1 under your page so its letters are hidden. Write the capital alphabet in order from memory. Put the first 13 letters in the first box and the rest in the second box."

- Box 1: **ABCDEFGHIJKLM**
- Box 2: **NOPQRSTUVWXYZ**

WHAT TO ACCEPT

Circle H, then Q. For the boxes, look for A through M and N through Z in order, written without a visible model. Record skipped or switched letters and any spoken cues separately.
