# Little Line Poems

## HOW TO RUN THIS PAGE

Read the directions aloud and help each student say their ideas before writing. Offer spelling support as needed, but let the student choose the subject and write the two poem lines.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

## PART 1 · PICK WORDS

**SAY** "What will your poem be about? Say your subject, then write it in the first box. What is one word that tells about your subject? Say it, then write it in the next box."

- Box 1 (beside Subject): **A student-chosen subject, such as moon.**
- Box 2 (beside Word): **A word about the subject, such as bright.**

## PART 2 · MAKE POETRY

**SAY** "A poem can have short lines. What could you say about your subject? Say two short lines to me, then write one line in each box. You can use your word from the first part."

- Box 1 (beside Line1): **The moon is bright.**
- Box 2 (beside Line2): **The moon glows at night.**

## WHAT TO ACCEPT

Accept two student-written poem lines about the chosen subject. Rhyme is optional; record spelling or idea support separately.
