HOW TO RUN THIS PAGE

Work with students individually or in a small group. For each row, have each student say the new word before looking at the choices, and record oral accuracy and any support separately.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · ADD OR TAKE

SAY "Keep your eyes off each row until you say the new word aloud. Then listen as I read the choices and circle the word you said."

ROW	SAY	STUDENTS CIRCLE
a	Say lip. Add /s/ at the start. What word do you get? Say it aloud before you look. Now look and listen: slip, flip, clip. Which word did you say? Circle it.	**slip**
b	Say cap. Add /s/ at the end. What word do you get? Say it aloud before you look. Now look and listen: cats, cans, caps. Which word did you say? Circle it.	**caps**
c	Say lamps. Take away the last /s/. What word is left? Say it aloud before you look. Now look and listen: lamb, lamp, lump. Which word did you say? Circle it.	**lamp**

PART 2 · CHANGE IT

SAY "Keep saying each new word aloud before you look at its row. Listen to the choices, then circle the word you said."

ROW	SAY	STUDENTS CIRCLE
a	Say smile. Take away the first /s/. What word is left? Say it aloud before you look. Now look and listen: file, mile, smile. Which word did you say? Circle it.	**mile**
b	Say map. Change the first /m/ to /t/. What word do you get? Say it aloud before you look. Now look and listen: cap, nap, tap. Which word did you say? Circle it.	**tap**
c	Say cat. Change the last /t/ to /p/. What word do you get? Say it aloud before you look. Now look and listen: cap, can, cab. Which word did you say? Circle it.	**cap**

WHAT TO ACCEPT

In order, the spoken answers and circled words are slip, caps, lamp, mile, tap, and cap. Score the word each student says before hearing the choices separately from the circled answer.
