YOUR JOB Underline each place and its letter-number square. Circle the direction words to help you track where the places are.

Finding Places in Pine Park

1. At Pine Park, a map uses gridlines to make squares. Letters A, B, and C go from west to east. Numbers 1, 2, and 3 go from south to north. A letter and a number together name one square.

2. The pond is in A1. The slide is in B1, one square east of the pond. The big oak is in B2, one square north of the slide. The flower bed is in C3, northeast of the big oak.

3. A snack stand is in A3. It is northwest of the big oak. A bench is in C1, southeast of the big oak. From the oak, you can use the letter and number to find each place.

2 ANSWER WITH EVIDENCE

Use the passage

1. Which square is one square north of the slide, and what is there?

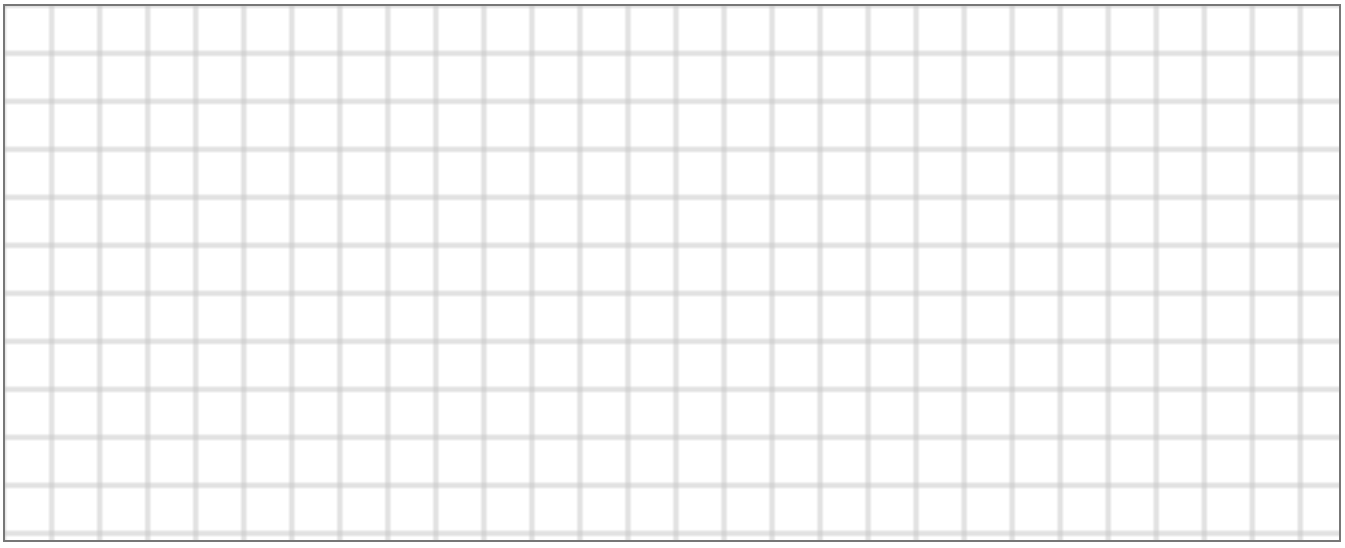

2. What direction is the flower bed from the big oak, and what square is it in?

3. Start at the big oak in B2. Go one square northwest. What square do you reach, and what is there?

3 YOUR TURN

Your own words

Use a 3-by-3 part of the grid. Label its columns A, B, C from left to right and its rows 1, 2, 3 from bottom to top; add three places of your own, one in B2, and write one sentence giving the direction and square of another place from B2.
