**HOW TO RUN THIS PAGE**

Read each short selection and each choice aloud slowly. Students listen for a key detail in prose and poetry, then circle the word that answers the question.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

**PART 1 • STORY LISTEN**

**SAY** “You will hear a short story in each row. Listen closely, then circle the word that answers the question.”
