**HOW TO RUN THIS PAGE**

Read each choice aloud and let students make one mark at a time. Students identify actions that show citizenship in the school community and connect citizenship actions with the people, rules, or materials they affect.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

**PART 1 • CIRCLE IT**

**SAY** “Listen to each school situation and the words in its row. Circle the word that best shows a good school citizen choice.”

| ROW | SAY                                                                                                                                          | STUDENTS CIRCLE |

- **FOLLOW** matches **RULES**
- **SHARE** matches **SUPPLIES**
- **RESPECT** matches **OTHERS**

**WHAT TO ACCEPT**

Circle rows: HELP, SHARE, FOLLOW. Match FOLLOW to RULES, SHARE to SUPPLIES, and RESPECT to OTHERS.
