

Florida Culture Labels

Read location clues, then label cultural features clearly.

SS.4.G.1.2 "Locate and label cultural features on a Florida map."

NAME _____

DATE _____

1 READ AND MARK _____ Read it twice

YOUR JOB Underline each cultural feature name. Circle the city that tells where each feature belongs, so you can match labels to places on a Florida map.

Cultural Places in Florida

- ① Florida maps can show cultural features, places shaped by people, history, and traditions. A clear label helps a reader find each place. In northeast Florida, label the St. Augustine Historic District. This area has old streets, forts, and buildings that tell about Spanish colonial times. Write the label near St. Augustine, a city on Florida's Atlantic coast.
- ② Farther south, Miami has Little Havana, a neighborhood known for Cuban American culture. On a Florida map, find Miami near the southeastern tip of the peninsula. Place the words Little Havana beside Miami, not in the ocean. Visitors may hear Spanish, see colorful murals, and find restaurants that serve Cuban foods. The neighborhood's name is a cultural label.
- ③ On Florida's west coast, Tampa is home to Ybor City Historic District. This district grew around cigar factories and immigrant communities. Find Tampa on the Gulf of Mexico side of the state. Then label Ybor City Historic District next to Tampa. When you add labels, use neat printing and leave space so each cultural feature is easy to read.
