Weather Word Spacing

Practice clear spaces between cursive words across lines.

4.F.H.4.b "Use appropriate spacing between cursive words in a sentence across lines on a page."

NAME _____ DATE _____

BEFORE YOU WRITE

- Let your letters rest on the baseline.
- Leave a finger space between words.
- Keep your letter size and slant steady.

1 WEATHER WORDS

Trace

Trace each word, then write it in cursive on the blank line.

drizzle drizzle

breezy breezy

sunshine sunshine

snowfall snowfall

2 SEASON SENTENCES

Copy

Copy each sentence in cursive on the blank line, leaving clear spaces between words.

Clouds gather before the storm.

Spring can bring warm rain.

3 YOUR OWN WRITING

In cursive

Write two cursive sentences about the weather in one season. Use the lines you need, and leave clear spaces between words on every line.

CHECK YOUR WRITING

- [ ] I left clear spaces between words on every line.
- [ ] My letters are a steady size.
- [ ] My letters have a steady slant.
- [ ] My letters rest on the baseline.

ANSWER KEY

Weather Word Spacing

GRADE 4 · 4.F.H.4.b

WHAT TO LOOK FOR

- Word spaces are visible and consistent in copied sentences and original writing.
- Spacing remains clear when writing continues across lines.
- Letters are legible, with reasonably consistent size and slant.
- Letters rest on the baseline.

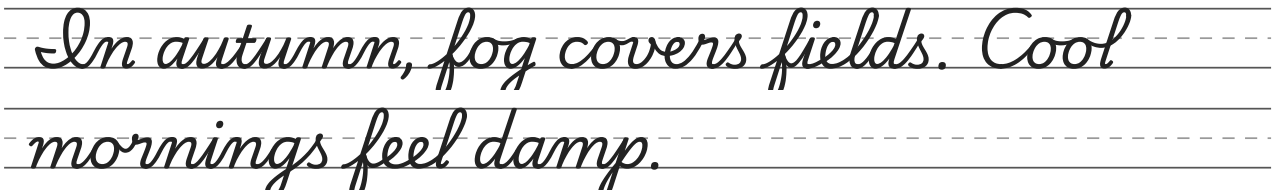

The models are printed in one traditional cursive. If your handwriting program forms a letter differently, students follow your program.

MODELS ON THE PAGE

- **Part 1 · Weather Words** (trace): drizzle · breezy · sunshine · snowfall
- **Part 2 · Season Sentences** (copy): Clouds gather before the storm. · Spring can bring warm rain.

YOUR OWN WRITING (SAMPLE)

Task: Write two cursive sentences about the weather in one season. Use the lines you need, and leave clear spaces between words on every line.

The original writing should contain two cursive sentences about weather in one season. Accept any sensible response that shows clear word spacing across its lines.
