HOW TO RUN THIS PAGE

Read each part aloud and let students point to the letters as you name them. Students show basic transcription skills by connecting matching capital and lowercase letters, then tracing letter shapes.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 • MATCH LETTERS

SAY “Look at the capital letters on the left: A, D, and P. Look at the lowercase letters on the right: a, d, and p. Can you draw a line from each capital letter to its matching lowercase letter?”

- **A** matches **a**
- **D** matches **d**
- **P** matches **p**

PART 2 • TRACE LETTERS

SAY “Each box has a gray lowercase letter. Can you trace each letter, starting at the top of the gray line?”

- Box 1: **c**
- Box 2: **o**
- Box 3: **s**

WHAT TO ACCEPT

Match A to a, D to d, and P to p. Accept traced letters that follow the gray model and are recognizable, with developmentally appropriate variation in size and line control.
