HOW TO RUN THIS PAGE

Read each topic word aloud and give students time to choose their own answer. Here, students express an opinion by writing YES or NO, then dictating a reason for one choice while you scribe their words.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · MY PICKS

SAY "Do you like books? Write YES or NO in the books box. Do you like music? Write YES or NO in the music box. Do you like rain? Write YES or NO in the rain box."

- Box 1 (beside books): **YES or NO, student choice**
- Box 2 (beside music): **YES or NO, student choice**
- Box 3 (beside rain): **YES or NO, student choice**

PART 2 · TELL WHY

SAY "Choose one word from My Picks. Why do you like it or not like it? Tell me your reason, and I will write your words in the box with that word."

- Box 1 (beside books): **A teacher-scribed reason if the student chose books**
- Box 2 (beside music): **A teacher-scribed reason if the student chose music**
- Box 3 (beside rain): **A teacher-scribed reason if the student chose rain**

WHAT TO ACCEPT

There is no single correct opinion. Accept YES or NO for each topic, including dictation or teacher writing when needed, and scribe one reason that matches one of the student's choices.
