# Letters Need Space

**GRADE 1 · 1.W.1**

## HOW TO RUN THIS PAGE

Model writing T and t, then write 'red fox' with a clear space between the words. Read the directions aloud, watch for legible letters and a space the student makes in the final box, and record any support separately.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

## PART 1 · MATCH LETTERS

**SAY** "Look at the capital letters on the left and the lowercase letters on the right. Can you draw a line from each capital letter to its matching lowercase letter?"

- **C** matches **c**
- **G** matches **g**
- **R** matches **r**

## PART 2 · WRITE IT

**SAY** "Can you trace the gray letters in the first two boxes? In the last box, write the words 'fun day' with a space between them."

- Box 1: **Mm**
- Box 2: **Pp**
- Box 3: **fun day**

## WHAT TO ACCEPT

Matches are C to c, G to g, and R to r. Accept legible traced letters and 'fun day' written together in the final box with a clear space between the words.
