YOUR JOB Underline the four badge-making directions Nia gives. Number them 1 to 4 in the order Ben must follow them.

Nia's Badge Plan

1. On a rainy day, Nia and Ben make badges on paper. Nia gives Ben spoken directions. Ben listens without drawing yet. He wants to hear every step before his pencil touches the page.
2. Nia says, "First, draw a big circle. Next, draw a small star inside it. Then, draw two short lines under the star. Last, write TEAM below the circle." Ben says the steps back to Nia before he begins.
3. Ben draws the circle, star, and two lines in that order. Then he writes TEAM below the circle. Nia checks his badge. The star and lines are inside the circle, just as her words said.
