HOW TO RUN THIS PAGE

Read the story aloud twice, then read each row prompt and its choices aloud. Listen to each child ask a question and answer aloud during the second part. Record any support you give separately from the child's marks.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · CIRCLE IT

SAY "Listen to this short story. A dog runs to a log and sits on it. The dog sees a bug."

ROW	SAY	STUDENTS CIRCLE
a	Who is this story mostly about: a cat, a dog, or a hen?	**dog**
b	How does the dog get to the log: hop, dig, or run?	**run**

PART 2 · ASK AND ANSWER

SAY "Ask me one question out loud about something you heard in the story, then listen to my answer. What does the dog sit on? Say your answer, then write the word in the first box. What does the dog see? Say your answer, then write the word in the second box."

- Box 1: **log**
- Box 2: **bug**

WHAT TO ACCEPT

Circle dog, then run; the written answers are log, then bug. Accept a spoken question about a story fact, and note whether the child answers the two box questions aloud with or without support.
