Our November Calendar

1. Our class keeps a November calendar by the door. We add days we want to remember. A date tells us when an event will happen. We check our calendar when plans change, so the dates stay right.

2. On November 11, our school is closed for Veterans Day. On November 18, our school holds a book fair. We write each event in the box for its date. Then we can see what is coming.

3. The neighborhood coat drive was set for November 21. A note from the library says it will happen on November 23 instead. We cross out the old date and put the coat drive on November 23.
