HOW TO RUN THIS PAGE

Read the directions aloud and allow time for children to form each character. Before Part 2, cover every gray model in Part 1; observe formation and recall, and record any help separately from accuracy.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · TRACE PATHS

SAY "Trace the gray letters and numerals in each box. Say the name of each one as you trace it."

- Box 1: **Aa**
- Box 2: **Mm**
- Box 3: **25**

PART 2 · HIDDEN MODELS

SAY "I am covering all the gray models with paper so you cannot see them. In the first box, print capital B and lowercase b. In the next box, print capital T and lowercase t. In the last box, print four and seven, in that order."

- Box 1: **Bb**
- Box 2: **Tt**
- Box 3: **47**

WHAT TO ACCEPT

Look for legible Aa, Mm, and 25 on the traces, followed by Bb, Tt, and 47 in the dictated boxes. Note any letter or numeral formed with help separately from accuracy.
