# Names and Dates

**GRADE 1 · L.1.2**

### HOW TO RUN THIS PAGE

Read the questions aloud while students look at the printed choices. Then dictate the dates and give students time to write each one with a capital month and a comma.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

### PART 1 · CIRCLE IT

**SAY** "Look at each row as I read its question. Circle one choice in each row."

| ROW | SAY | STUDENTS CIRCLE |
|---|---|---|
| a | Which choice writes a person's name with only its first letter capitalized? | **Mia** |
| b | Which choice writes a month's name with only its first letter capitalized? | **April** |
| c | Which choice ends with the mark used to ask a question? | **Where?** |

### PART 2 · WRITE DATES

**SAY** "Write each date I say in its own box. Begin the month with a capital letter and put a comma after the day. First box: May five, year two zero two six. Second box: June six, year two zero two six."

- Box 1: **May 5, 2026**
- Box 2: **June 6, 2026**

### WHAT TO ACCEPT

Circle Mia, April, and Where? Accept the dictated dates with capitalized months and commas after the days. Record any spelling or number-writing support separately.
