HOW TO RUN THIS PAGE

Hear each learner read from print before you say any printed word. Listen for accurate words and natural phrasing on two readings, allow think time, and record any prompts or corrections separately from independent reading.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · READ TWICE

SAY "Read each row aloud from left to right. Read it again so it sounds like talking. Then listen to my question and circle the word that answers it."

ROW	SAY	STUDENTS CIRCLE
a	What do we see? Circle the word that tells.	**snow.**
b	Who has mittens? Circle the word that tells.	**He**
c	What do dogs do? Circle the word that tells.	**run**

PART 2 · FIND THE WORD

SAY "First, read the three printed words in each row aloud to me. Then listen to my clue, circle the word that fits, and say the whole sentence or question with your word. If it does not sound right, reread and try again."

ROW	SAY	STUDENTS CIRCLE
a	Mom ___, 'Come here.' Which word fits? Circle it and say the whole sentence.	**said**
b	You cannot find your red hat. Which word begins the question that ends 'is my red hat?' Circle it and ask the whole question.	**where**
c	Please ___ sit with me. Which word fits? Circle it and say the whole sentence.	**come**

WHAT TO ACCEPT

Part 1: snow, He, run. Part 2: said, where, come. Accept a corrected oral reading, but record the initial error and any support separately.
