HOW TO RUN THIS PAGE

Read the directions aloud and give students time to look at the print before they respond. Listen as each student names the letters, and record accuracy and any support separately from the matches and circles.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · MATCH LETTERS

SAY "Point to each capital letter and say its name. Draw a line to its lowercase partner, then say the lowercase letter's name."

- **L** matches **l**
- **M** matches **m**
- **T** matches **t**

PART 2 · FIND WORDS

SAY "Look at the letters in each word from left to right. Listen to each question, then circle one word."
