Make Ten Moves

Find parts of ten, then use them to add and subtract.

MT.1.OA.3 "Flexibly compose and decompose numbers to add and subtract."

NAME _____ DATE _____

Teacher: this page is run aloud. The script and answers are on the guide page.

1 MAKE TEN

8	• •		4
7	• •		2
6	• •		3

2 USE TEN

8	
12	

ANSWER KEY

Make Ten Moves

GRADE 1 · MT.1.OA.3

HOW TO RUN THIS PAGE

Read the directions aloud and give students time to think before they mark the page. Students match parts that make ten, then break apart 5 to solve an addition and a subtraction problem. Record any support separately.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · MAKE TEN

SAY "Each number on the left needs one more part to make ten. Draw a line to the number on the right that makes ten with it."

- **8** matches **2**
- **7** matches **3**
- **6** matches **4**

PART 2 · USE TEN

SAY "For the box beside 8, start with 8 and add 5. Break apart 5 to make ten first, then write the total. For the box beside 12, start with 12 and take away 5. Break apart 5 to reach ten first, then write how many are left."

- Box 1 (beside 8): **13**
- Box 2 (beside 12): **7**

WHAT TO ACCEPT

Match 8 to 2, 7 to 3, and 6 to 4. Accept 13 beside 8 and 7 beside 12; note whether students broke apart 5 to reach ten and record support separately.
