HOW TO RUN THIS PAGE

Read each story and its choices aloud, then give students time to circle an answer. Listen as each student names who tells the story and gives a clue, and record any prompts needed separately.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

b	I am a bird. I see a bear. I fly over it. The choices are bear, bird, and fish. Who tells the story?	**bird**
