YOUR JOB Underline the names of the four book parts Jo can use to find facts. Number them in the order they appear.

Jo's Bee Book

1. A bee lands on Jo's lunchbox. Jo wonders where it sleeps. At the library, she opens *A Bee's Busy Day*. The title page names Eli Reed as the author. Jo looks for ways to find a fact in the book.
2. The table of contents lists Bee Homes on page 4, Flowers and Food on page 8, and Making Honey on page 12. Jo also spots a glossary. It says nectar is a sweet liquid in flowers. It says pollen is a fine powder flowers make.
3. The index at the back lists hive, page 5; wings, page 6; and honey, page 12. Jo sees many topics in the book. She can use these page numbers to go right to a topic.

2 ANSWER WITH EVIDENCE

Use the passage

1. Which book part tells who wrote the book? Who is the author?

2. Which book part shows where Flowers and Food begins? What page does it give?

3. Which book part explains pollen? What does pollen mean?

3 YOUR TURN

Your own words

You want to read about a bee's wings. Write two sentences telling which book part you would use and which page you would turn to.

GRADE 2 · 2.6.R.3

PART 1 · READ AND MARK

Underline the names of the four book parts Jo can use to find facts. Number them in the order they appear. Accept any marking that follows this job and points at the right text.

PART 2 · ANSWERS

#	QUESTION	ANSWER
1	Which book part tells who wrote the book? Who is the author?	**The title page names Eli Reed as the author.**
2	Which book part shows where Flowers and Food begins? What page does it give?	**The table of contents gives page 8.**
3	Which book part explains pollen? What does pollen mean?	**The glossary says pollen is a fine powder flowers make.**

PART 3 · YOUR TURN (SAMPLE ANSWER)

I would use the index to look up wings. I would turn to page 6.

For the marking job, accept title page, table of contents, glossary, and index numbered in that order. For Your Turn, accept any two-sentence response that uses the index and gives page 6.
