HOW TO RUN THIS PAGE

Read the directions and printed choices aloud without naming any matches. Watch students identify coins by name and value, and note any support you give.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · CIRCLE COINS

SAY "I will read the coin names in each row. Listen to the question, then circle one coin name."

ROW	SAY	STUDENTS CIRCLE
