HOW TO RUN THIS PAGE

Read each prompt and the printed choices aloud. Students circle an answer, then draw lines to connect three ways people can show patriotism with what they do.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · CIRCLE ONE

SAY "I will read each question and its three choices. Listen, then circle one word in each row."

ROW	SAY	STUDENTS CIRCLE
a	The choices are cemetery, parade, and military. A person serves the country as a soldier. Which word names this kind of service?	**military**
b	The choices are cemetery, military, and parade. Neighbors place flowers by the graves of people who served in the military. Which place are they honoring?	**cemetery**
c	The choices are military, parade, and cemetery. On Independence Day, a town has a march with music. What is the march called?	**parade**

PART 2 · CONNECT ACTIONS

SAY "On the left, the words are military, cemetery, and independence. Here, independence means Independence Day. On the right, the words are celebrate, serve, and honor. Draw a line from each word on the left to what people can do."

- **military** matches **serve**
- **cemetery** matches **honor**
- **independence** matches **celebrate**

WHAT TO ACCEPT

Circle military, cemetery, and parade, in that order. Match military to serve, cemetery to honor, and independence to celebrate.
