HOW TO RUN THIS PAGE

Read each story and all three choices aloud before students circle an answer. In Part 2, listen to each student's explanation and record any help given separately from whether the explanation is correct.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · CIRCLE IT

SAY "I will read each story and the three words. Listen, then circle the word that answers the question."

ROW	SAY	STUDENTS CIRCLE
a	A delivery driver works for a company. What does the company give the driver for working? The choices are pay, loan, and bill. Which word answers the question?	**pay**
b	Ava starts a bakery. She decides what to bake and runs the bakery herself. What is Ava? The choices are buyer, owner, and customer. Which word answers the question?	**owner**
c	Sam has his own bike shop. A customer buys a bike from Sam. What does Sam do to earn money? The choices are give, borrow, and sell. Which word answers the question?	**sell**

PART 2 · TELL AND WRITE

SAY "For box 1, a worker cleans a store. Tell me aloud how the worker gets money for that work, then write one word for what the worker gets. For box 2, someone owns a flower stand. Tell me aloud how the owner earns money, then write one word for what the owner does with flowers."

- Box 1 (beside 1): **pay**
- Box 2 (beside 2): **sell**

WHAT TO ACCEPT

Circle pay, owner, and sell. For box 1, accept pay with an oral explanation that the store or its owner pays the worker for cleaning. For box 2, accept sell with an oral explanation that the owner earns money by selling flowers to customers.
