GRADE 1 · 1.P.4.2.C

HOW TO RUN THIS PAGE

Read each prompt aloud and give students time to think. In the second part, help students record their own ideas, then observe each student present those ideas to the group.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · PLAN IT

SAY "A talk needs people to listen and an idea to share. Listen to each question, then circle one word."

ROW	SAY	STUDENTS CIRCLE
a	The words are desk, class, and bell. Who can listen to your talk about school?	**class**
b	The words are share, thing, and nice. Which word tells something people can do at school?	**share**

PART 2 · GIVE YOUR TALK

SAY "Think of a place at school you want to make better and one thing people can do there. Write one word in each box, or tell me your words so I can write them in your boxes. Then tell our group two sentences: name your place and tell what people can do there."

- Box 1 (beside PLACE): **A school place the student chooses, such as yard.**
- Box 2 (beside ACTION): **An action the student chooses that could improve that place, such as pick up litter.**

WHAT TO ACCEPT

Circle class, then share. Accept a student-chosen school place and a fitting action; observe the student's two-sentence oral presentation and record any writing or speaking support separately.
