Who Helps How

HOW TO RUN THIS PAGE

Read the directions and all printed choices aloud. Give students time to circle and match on their own, then check whether they connected each community member to a service.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · CIRCLE ONE

SAY "Listen as I read each question and its choices. Circle one word in each row."

ROW	SAY	STUDENTS CIRCLE
a	The choices are doctor, farmer, and pilot. Who gives medical care when someone is sick?	**doctor**
b	The choices are chef, firefighter, and dentist. Who puts out fires to protect people?	**firefighter**
c	The choices are mayor, baker, and police. Who helps make sure people follow the law?	**police**

PART 2 · MATCH HELPERS

SAY "Draw a line from each person on the left to the word on the right that tells what the person helps with. On the left are mayor, soldier, and librarian. On the right are books, decisions, and safety."

- **mayor** matches **decisions**
- **soldier** matches **safety**
- **librarian** matches **books**

WHAT TO ACCEPT

Circle doctor, firefighter, and police. Match mayor to decisions, soldier to safety, and librarian to books; accept lines that clearly connect those pairs.
