HOW TO RUN THIS PAGE

Read the directions and each row's words aloud. Students circle answers to show they can identify needs and wants, then mark one activity they freely choose.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · CIRCLE ONE

SAY "A need is something we must have to live and stay safe. A want is something we would like but do not need to live. Listen to each row and circle one word."

ROW	SAY	STUDENTS CIRCLE
a	Listen: water, kite, sticker. You are thirsty. Which one does your body need?	**water**
b	Listen: air, cake, water. Which one is a want, not something your body must have to live?	**cake**
c	Listen: kite, cake, home. Which one is a need for a safe place to live?	**home**

PART 2 · YOUR CHOICE

SAY "I will read the choices, game and song; you are free to pick one. Which do you choose? Write an X in only that box."

- Box 1 (beside game): **X if the student chooses game; otherwise blank.**
- Box 2 (beside song): **X if the student chooses song; otherwise blank.**

WHAT TO ACCEPT

Circle water, cake, and home, in that order. Accept an X in either choice box, but not both.
