KINDERGARTEN · K.P.2.4.C

HOW TO RUN THIS PAGE

Read all directions and printed choices aloud. Students circle or match what each worker provides, showing whether they can connect a worker to a good or service.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · CIRCLE ONE

SAY "I will read each row to you. Listen to the worker I name, then circle what that worker gives or does."

ROW	SAY	STUDENTS CIRCLE
a	A teacher works at school. Your choices are mail, lesson, and lunch. What does a teacher give students?	**lesson**
b	A mail carrier brings letters to homes. Your choices are delivery, haircut, and lesson. Which service does a mail carrier provide?	**delivery**
c	A barber works in the community. Your choices are ride, lunch, and haircut. What does a barber provide?	**haircut**

PART 2 · DRAW LINES

SAY "Listen as I read the workers on the left: cook, driver, custodian. The choices on the right are cleaning, lunch, and ride. Draw a line from each worker to what that worker gives or does."

- **cook** matches **lunch**
- **driver** matches **ride**
- **custodian** matches **cleaning**

WHAT TO ACCEPT

Circle lesson, delivery, and haircut, in that order. Match cook to lunch, driver to ride, and custodian to cleaning.
