HOW TO RUN THIS PAGE

Supplemental practice only. 1.DSR.B is an introduction notice for a later grade, not a current-grade performance expectation. Do not use this activity as evidence of alignment to that entry. Read each short text aloud once, then repeat it as needed while students mark their answers. Students practice holding details from a connected text and linking related ideas.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.
