HOW TO RUN THIS PAGE

Supplemental practice only. K.DSR.1.B is an introduction notice for a later grade, not a current-grade performance expectation. Do not use this activity as evidence of alignment to that entry. Read each short text twice before asking its rows. The student listens to connected language and uses the large printed words to show a detail heard in the text.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.
