HOW TO RUN THIS PAGE

Read each part aloud and give students think time. There are no printed models to copy, so observe letter formation, recall, and spacing as students write. Record any support you give separately.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · PRINT LETTERS

SAY "In the first box, print capital B and lowercase b. In the second box, print capital G and lowercase g. In the third box, print capital R and lowercase r."

- Box 1: **B b**
- Box 2: **G g**
- Box 3: **R r**

PART 2 · LEAVE SPACE

SAY "Write the words I say together in each box. In the first box, write 'we can'. In the second box, write 'I see. We go.'"

- Box 1: **we can**
- Box 2: **I see. We go.**

WHAT TO ACCEPT

Look for correctly formed letters and a space between the dictated words and sentences. Observe whether students recall and print letters fluently, and record prompts or other support separately.
