HOW TO RUN THIS PAGE

Give each student a book with a clear title page, then have partners trade books for Part 2. Read each row's choices aloud and watch each student point to the book part before circling. Record any help given separately.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · FIRST BOOK

SAY "Hold your book. I will read the words in each row. Point to the part of your book, then circle the word that names it."

ROW	SAY	STUDENTS CIRCLE
a	Your choices are BACK, TITLE, FRONT. Before you open your book, point to the outside cover that shows the book's name. Which word names that part? Circle it.	**FRONT**
b	Your choices are BACK, TITLE, FRONT. Open your book from the beginning. Point to the page near the start that shows the book's name and the writer's name. Which word names that page? Circle it.	**TITLE**
c	Your choices are BACK, FRONT, TITLE. Close your book. Point to the outside cover on the other side from the cover you open first. Which word names it? Circle it.	**BACK**

PART 2 · NEW BOOK

SAY "Trade books with a partner. Use this book to find each part before you circle a word."

ROW	SAY	STUDENTS CIRCLE
a	Your choices are TITLE, FRONT, BACK. Point to the outside cover on the other side from the cover you open first. Which word names it? Circle it.	**BACK**
b	Your choices are TITLE, FRONT, BACK. Close your book. Point to the cover you open to start at the beginning. Which word names it? Circle it.	**FRONT**
c	Your choices are TITLE, BACK, FRONT. Open your book from the beginning. Point to the page near the start that shows the book's name and the writer's name. Which word names that page? Circle it.	**TITLE**

WHAT TO ACCEPT

Part 1: FRONT, TITLE, BACK. Part 2: BACK, FRONT, TITLE. Check that each student points to the corresponding part of the real book, not just the correct printed word.
