HOW TO RUN THIS PAGE

Work with a small group so you can hear each child. Pause for each child to answer aloud before reading the printed choices, then record accuracy and any support separately.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · PUT TOGETHER

SAY "I will say two parts. Say the whole word aloud, then say its parts aloud. After you speak, I will read the choices so you can circle your word."

ROW	SAY	STUDENTS CIRCLE
a	Listen: sun, shine. What word do they make? Say it aloud, then say its two parts aloud. Listen to the choices: sunset, sunshine, sunny. Circle the word you made.	**sunshine**
b	Listen: pop, corn. What word do they make? Say it aloud, then say its two parts aloud. Listen to the choices: cupcake, poppy, popcorn. Circle the word you made.	**popcorn**
c	Listen: rain, bow. What word do they make? Say it aloud, then say its two parts aloud. Listen to the choices: rainbow, raincoat, raindrop. Circle the word you made.	**rainbow**

PART 2 · TAKE AWAY

SAY "I will say a word. Say its parts aloud, then take away the part I name. Say the part that is left before I read the choices."

ROW	SAY	STUDENTS CIRCLE
a	Listen: cupcake. Say its two parts aloud. Take away cup. What part is left? Say it aloud. Listen to the choices: cup, cape, cake. Circle the part that is left.	**cake**
b	Listen: rainbow. Say its two parts aloud. Take away rain. What part is left? Say it aloud. Listen to the choices: bow, boy, rain. Circle the part that is left.	**bow**
c	Listen: sunshine. Say its two parts aloud. Take away shine. What part is left? Say it aloud. Listen to the choices: shine, sun, fun. Circle the part that is left.	**sun**

WHAT TO ACCEPT

Part 1: sunshine, popcorn, rainbow. Part 2: cake, bow, sun. Check each child's spoken blending, segmentation, and deletion before reading the choices; a circle alone does not show the oral skill.
