

Bean Garden Order

Read a model, trace its sequence, and restate directions.

2.1.B “follow, restate, and give oral instructions that involve a short, related sequence of actions;”

NAME _____

DATE _____

1 READ AND MARK _____ Read it twice

YOUR JOB Underline the five action words in Ms. Lee's directions. Write 1 through 5 beside them to show the order.

Maya Plants a Bean

- ① At the school garden, Ms. Lee gives Maya a job. “First, fill the small pot with soil. Next, press one bean seed into the soil. Then cover the seed with a little more soil.” Maya listens closely.
- ② Ms. Lee adds one last step. “After that, pour a little water around the seed. Last, put the pot by the sunny window.” Maya repeats the steps before she begins. Her partner listens and checks the order.
- ③ Maya tells her partner, “Fill the pot, press in the seed, cover it, water it, and place it by the window.” Her partner nods. Together, they follow the directions and leave the pot where it can get sunlight.

2 ANSWER WITH EVIDENCE _____ Use the passage

1 What should Maya do right after she presses the bean seed into the soil?

2 Restate the fourth and fifth directions in your own words.

3 Pretend you are Maya. Tell a partner the first three directions in order. Write what you would say.

3 YOUR TURN _____ Your own words

Choose a simple task you know how to do. Give a partner exactly four related oral directions in order, using First, Next, Then, and Last. Write the directions you would say.

PART 1 • READ AND MARK

Underline the five action words in Ms. Lee's directions. Write 1 through 5 beside them to show the order. Accept any marking that follows this job and points at the right text.

PART 2 • ANSWERS

#	QUESTION	ANSWER
1	What should Maya do right after she presses the bean seed into the soil?	Cover the seed with a little more soil.
2	Restate the fourth and fifth directions in your own words.	Pour a little water around the seed. Put the pot by the sunny window.
3	Pretend you are Maya. Tell a partner the first three directions in order. Write what you would say.	First, fill the small pot with soil. Next, press one bean seed into the soil. Then cover the seed with a little more soil.

PART 3 • YOUR TURN (SAMPLE ANSWER)

First, get a paper strip. Next, draw a picture on one side. Then, color the picture. Last, write your name on the other side.

Accept equivalent words that keep the actions and order from the passage. For Your Turn, accept any clear set of exactly four related directions in a logical order.
