| Summer | • | • | leaves |
| Fall   | • | • | buds   |

**HOW TO RUN THIS PAGE**

Read every season and nature word aloud before students mark the page. Students show the repeating order of seasons by circling, then connect each season with a common change in nature.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

**PART 1 • NEXT SEASON**

**SAY** “Listen as I read the season words in each row. After each question, circle the season that comes next.”

| ROW | SAY                                                                                        | STUDENTS CIRCLE |
|-----|--------------------------------------------------------------------------------------------|-----------------|
| a   | The choices are Spring, Fall, and Summer. After winter, what season comes next? Circle it. | <b>Spring</b>   |
| b   | The choices are Spring, Fall, and Winter. After summer, what season comes next? Circle it. | <b>Fall</b>     |

**PART 2 • SEASON CHANGES**

**SAY** “In a place with four seasons, which nature word goes with each season? I will read the season words and the nature words. Draw a line from each season on the left to its match on the right.”

- **Winter** matches **cold**
- **Spring** matches **buds**
- **Summer** matches **hot**
- **Fall** matches **leaves**

**WHAT TO ACCEPT**

Next Season: Spring, then Fall. Season Changes: Winter to cold, Spring to buds, Summer to hot, and Fall to leaves.
