HOW TO RUN THIS PAGE

Read every printed word aloud before students mark the page. Students show that they can identify three basic human needs by circling a need and matching each need to what it helps people do.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 • CIRCLE IT

SAY "Listen as I read the words in each row. For each question, circle one word."

ROW	SAY	STUDENTS CIRCLE
a	I will read these words: food, toy, book. Which word names something people need for eating?	food
b	I will read these words: candy, clothing, ball. Which word names something people need to wear?	clothing
c	I will read these words: game, swing, shelter. Which word means a safe place people need to live?	shelter

PART 2 • MATCH NEEDS

SAY "I will read the words on the left and the words on the right. Draw a line from each need to the word that tells how it helps people."

- **food** matches **eat**
- **clothing** matches **wear**
- **shelter** matches **home**

WHAT TO ACCEPT

Circle food in row 1, clothing in row 2, and shelter in row 3. Matching lines are food to eat, clothing to wear, and shelter to home.
