2. Hello Team, I made labels for the recycling bins in our room. One label says paper, and another says plastic. I placed the labels beside the bins so everyone can sort lunch items quickly. If a label falls off, put it in the supply tray and tell Ms. Reed during our afternoon meeting. From, Daniel Ortiz

3. Class Friends, I returned the map book to the reading shelf. It helped me find rivers, mountains, and state capitals for our project. The book is now standing between the atlas and the dictionary.
