HOW TO RUN THIS PAGE

Read each short team situation aloud, then read the large words in each row. Students show which respectful choice helps the group work toward its goal, then connect teamwork actions to their results. Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 • CIRCLE CHOICE

SAY “Listen to each team situation. I will read the big words in the row. Circle the word that shows a respectful way to help the team.”

ROW	SAY	STUDENTS CIRCLE
a	Your group is making one sign and has one box of crayons. I will read: grab, share, hide. What could you do so everyone can help? Circle the word.	share
b	You and a partner both want the blue marker. I will read: turns, push, grab. What choice helps you work together? Circle the word.	turns
c	Your group is deciding what to do first. A teammate has an idea. I will read: yell, leave, listen. What could you do to respect the teammate's idea? Circle the word.	listen

PART 2 • MATCH TEAMWORK

SAY “I will read the words on the left and the words on the right. Draw a line from each teamwork action to what it helps a group do.”

- **share** matches **together**
- **listen** matches **heard**
- **turns** matches **fair**

WHAT TO ACCEPT

Circle share in row 1, turns in row 2, and listen in row 3. Match share to together, listen to heard, and turns to fair. Accept clear circles or other clear marks, and lines that show the intended matches.
