c	120	109	119

2 READ AND WRITE

89	
109	

ANSWER KEY

Number Next Door

GRADE 1 · 1.NBT.1b

HOW TO RUN THIS PAGE

Have each student read the printed numerals aloud before offering a number name or help. Allow think time, listen for accurate reading, and record any help separately from the student's marks.

Students never read directions on this sheet. Read each part's script aloud, then each prompt, giving think time before students mark.

PART 1 · READ AND CIRCLE

SAY "Read the three numbers in each row aloud to me. Then listen to my question and circle one number."

ROW	SAY	STUDENTS CIRCLE
a	Read these three numbers aloud. Which number comes right after seventy-nine? Circle it.	**80**
b	Read these three numbers aloud. Which number comes right after ninety-nine? Circle it.	**100**
c	Read these three numbers aloud. Which number comes right after one hundred eighteen? Circle it.	**119**

PART 2 · READ AND WRITE

SAY "Read the number beside each box aloud to me first. Then write the number that comes next in the box."

- Box 1 (beside 89): **90**
- Box 2 (beside 109): **110**

WHAT TO ACCEPT

Circle rows: 80, 100, 119. Boxes: 90, 110. Check each student's reading of the printed numerals aloud separately from the circled and written answers.
